Student Game Festival

January 2027 • Online

A singular online event celebrating student work made in the past year, coinciding with the official IndieCade festival. Includes playable demos, streams, and more!

Game Educators Summit

April 30, 2027 • Online & Downtown LA

An event dedicated to sharing and swapping practical, usable materials for teaching game development. The only conference on game development education.

Creator's Retreat

December 8-9, 2026 • Downtown LA

An intimate, fully interactive creative retreat with a focus on bringing together gamemakers of all genres and backgrounds for intensive dialogs, inspiration, knowledge-sharing and networking.
