

MEMBERSHIP TYPES & BENEFITS

Supporter \$25 annually	Developer \$60 annually (Students: \$50 / Alumni: \$54)	Developer Plus \$250 annually (Alumni: \$225)	Bronze Patron \$3500 annually (Academic Organizations and Nonprofits: \$2500)	Silver Patron \$5000 annually
The Supporter level is designed specifically for people who are interested in independent games/media, and the culture behind the scenes.	The Developer level is designed for developers, nascent developers, and students. Discounted versions of this plan are available to students (\$50, student ID required) and IndieCade Alumni (\$54), individuals who have spoken or presented their games at our events.	The Developer Plus level is for an individual who works/runs a small studio, works in the industry, has an investment in IndieCade, and/or makes games. A discounted version of this plan is available to IndieCade Alumni (\$225), individuals who have spoken or presented their games at our events.	The Bronze Patron level provides value and visibility, as well as enable customized participation and benefits for small studios, academic institutions, and organizations as well as their members. A discounted version of this plan is available to academic organizations and nonprofits (\$2500).	The Silver Patron level offers additional benefits to the Institution / Studio patron. It is specifically designed to provide value and visibility, as well as enables customized participation and benefits for studios and organizations as well as their members.
